

2024 Rebate Information Sheet

\$\$\$ Rebate Alert! \$\$\$

One of the benefits of refilling your prescriptions directly with Angell is the option to take advantage of manufacturer rebates on certain products. These **rebates are not available when you purchase your pet's medication online**. One of the medications your pet received from us today may be eligible for a rebate if you meet purchase requirements.

See the chart below to determine whether you qualify and to claim your rebate!

About Rebate Periods and Codes

Rebate programs typically run for the course of a calendar year (*January to December*) and codes change or expire at the end of the program period. Each program has different purchase-by and submit-by cutoffs.

Individual programs must be consulted for details as available offers may change or end at any time.

Please note that rebate programs are administered by the manufacturers and not by Angell. Questions about or problems with any rebate program should be directed to the manufacturer. This sheet is informational only and does not represent a contract or guarantee. Exclusions and restrictions apply and vary by rebate program. Consult each program for full details.
